

ESERBAYRAK

The image features a central logo for 'ESERBAYRAK' in a bold, red, sans-serif font. The letter 'E' is stylized with a grid of small squares to its left. A red circle is positioned behind the 'S' and 'B'. The logo is centered on a white background that has a subtle, wavy texture, resembling fabric. This white area is framed by red geometric shapes: a triangle in the top right, a large triangle in the bottom left, and a trapezoidal shape in the bottom right.

Eser Bayrak entered the open-air advertising industry 38 years ago as a flag, textile print manufacturer. Over time, it has become one of the top 3 companies in Turkey with its forward-thinking and innovative thinking in line with the needs and demands. Again, the smallest foil cuts are made with the advertising and signage department established in line with the demands. All services are professional, down to your biggest projects. Innovative, open-minded and professional perspective is the common understanding of all our colleagues. It will give you the convenience of finding professional solutions with a single supplier in line with all your needs and requirements. Eser Bayrak Advertising Industry. ve Tic. Ltd. After 2015, it changed its title to ESE REKLAM SANAYİ VE TİCARET A.Ş.

POLE FLAGS

We have made it a policy to make sure our products don't compromise on quality in an absolute way. For this reason, we make use of quality fabric and printing systems so that the pole flag can fluctuate for many years in outdoor conditions. Thanks to our high-tech machines and our pole flags, with a very thin workmanship, you won't have to be afraid anymore. Especially when it rains and snows, you'll never have a problem with the fact that the bleeding of paint, the colors fade out in the sun, and flying in the wind. For this reason, you can also benefit from our quality flags, which will always fluctuate.

PENNANTS

The quality of the pennants fabrics is changing. Fabric quality as a cost-reducing factor, we make prints according to your preferences. In general, the fabrics used in the pennants print are specific. These fabrics; It can be raschel, alpaca and satin. We can produce the desired fabric type. In addition, you are able to present your own designs to us. Or we can handle all your design processes for you. This allows you to have a lot of different pennants that no one else has.

AUTHORITY FLAGS

Authority flags have a standard size (100x150cm) and the fabric used is usually satin. If you want to receive authorization flag service for the institution you are affiliated with; If you need detailed information about the authority flag, you can learn it as soon as possible in the most practical way. The authority flag quality may have different types. It may vary depending on the materials to be used, but this is not important. When you order the authority flag, if you say what quality you want, flags are produced that are right for you and the way you want. In this way, your authority flag can be seen in the best quality and most elegant way in the places you will use it.

DECORATION FLAGS

Decoration flags are generally used in openings. Triangular decorations are used in areas such as association meetings, outdoor entertainment, election propaganda. It is produced with raschel fabric type.

TABLE FLAGS

The materials used in the production of table flags are preferred in a very high quality. But this quality is still based on your demands. There is a price difference depending on the quality ratio and the material to be used. Of course, these differences do not consist of very exorbitant prices. In this way, you will not have any questions left in mind when ordering the table flag. If you have questions about the table flag, you can learn them as soon as possible and get the service you request.

COUNTRY FLAGS / TURKISH FLAGS

Turkish flags are determined according to the Turkish Flag Law and TSE dimensions. It is essential to comply with these criteria. Country flag can be produced in accordance with the standards determined by your country. In their production, 3 different fabrics are used as Raschel, Alpaca and Parachute. Generally, the printing system used is bleaching. Some standard sizes are as follows.

- 1 x 1.5 m Country Flags
- 2 x 3 m Country Flags
- 3 x 4.5 m Country Flags
- 4 x 6 m Country Flags
- 5 x 7.5 m Country Flags
- 6 x 9 m Country Flags
- 7 x 10.5 m Country Flags
- 8 x 12 m Country Flags
- 10 x 15 m Country Flags
- 12 x 16 m Country Flags
- v.s.
